

One For All or All For One

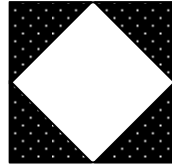

2011 Mystery Quilt – The Finale

November (month 4)

- Step 1:** Cut 12 background squares to your PPM (5 ½"). Label 8 of these as "J". Reserve 4 for "L" blocks in Step 3.
- Step 2:** Cut one 5 ½" x 5 ½" square of your focus fabric or of your one color fabric. Cut (4) 3" x 3" squares of background. Use the background squares as connectors on all four corners as shown. This is the only "K" block.

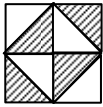

K (1)

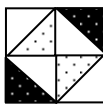

L (4)

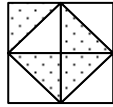

- Step 3:** To make 4 "L" blocks, use the 4 background squares from Step 1. Cut 16 focus squares 3" x 3" (you may wish to wait until Step 5 before making the final decision on the connectors.) Sew 4 connectors to opposite sides of the background fabric.
- Step 4:** IF you have used different values as given in the option, it is **strongly** suggested that you keep blocks in their A, B, etc groups with labels. This will help to keep from getting the pieces mixed up.
- Step 5:** Following diagram on the next page, sew blocks together in rows.
- Step 6:** When sewing blocks together, carefully match diagonal seams.
- Step 7:** When you are laying the rows out, audition the colors you want to use on the corners of the "L" blocks when you get to rows 5, 6 & 7.
- Step 8:** Lay out all your rows first before sewing so you are sure that you have the blocks in the correct place.
- Step 9:** Add borders as desired.
