

One For All or All For One

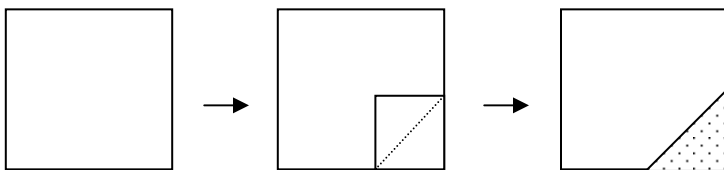

2011 Mystery Quilt

October (month 3)

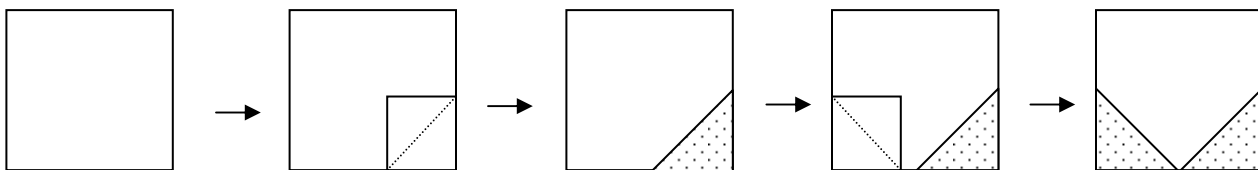

- Step 1:** Cut 68 squares of background fabric to your PPM. My PPM is 5 ½"
- Step 2:** Use 8 of the 5 ½" background squares and 16 dark, or 3" squares, from your "X" bag of dark or focus fabric color. REMINDER: Using these different values remains an option as in previous months. Label these blocks "E".

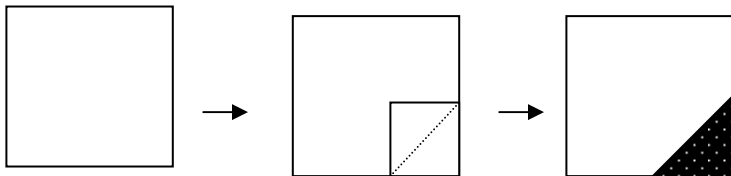

- Step 3:** Sew one 3" square to each of 16 of your 5 ½" background squares, using the light values, or focus fabric, from bag "Z". Trim and press. Label these blocks "F".

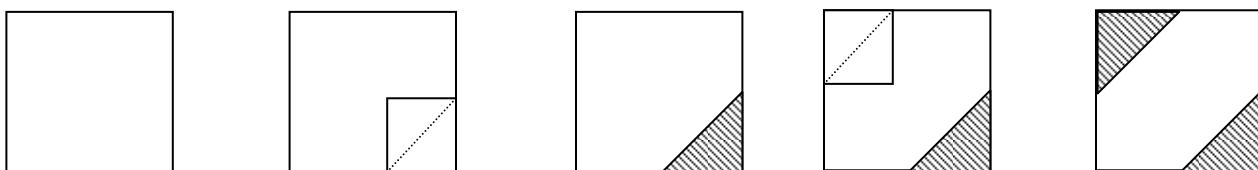

- Step 4:** Make 4 units by sewing two 3" squares (from the Z bag), or focus fabric, to the corners indicated. Label these blocks "G".

- Step 5:** Sew a dark (X bag), or focus fabric square to one corner of 16 background squares. Label these blocks "H".

- Step 6:** With 48 medium value (Y bag) squares, or focus fabric, and the remaining 24 background squares, make the units shown below. Label these blocks "I".

Oh boy, oh boy! We're coming along! Until next month...
